What did you learn on:

Item 1. ____________________________________________________________

Item 2. ____________________________________________________________

Item 3. ____________________________________________________________

What sewing equipment or techniques did you learn to use?

_________________________________________________________________

What did you enjoy most about this project?

_________________________________________________________________

What was the most difficult?

_________________________________________________________________

How did you help others?

_________________________________________________________________

What demonstrations (D) and/or exhibits (E) did you give?
